

DeMolay Canada is a leadership development fraternity for young men aged 12-21. DeMolay members meet to plan fun events, fundraisers, service projects, and more.

Members benefit from hands-on experience in management, leadership, and communication; while also making friendships and developing bonds that will last them a lifetime.

WHY JOIN?

DeMolay encourages personal growth and helps young men not only become better men but find themselves.

DeMolay is a fraternity that isn't like many others anymore. it gives young men the power to plan their own experience, learn valued skills, and gain friendships for life.

DeMolay teaches the love of parents, respect of all religion and thought, courtesy, comradeship, fidelity, keeping your body and ind clean, and patriotism

THE MEMBER EXPERIENCE

BROTHERHOOD

Members of DeMolay span generations going back 100+ years. Many DeMolay are still best friends with their DeMolay brothers from 50 years ago, it allows for young men to carry on friendships outside of school and friendships they can carry with them for life.

LIFE SKILLS

DeMolay teaches many important life skills that have taught leaders like the great Tommy Douglas. DeMolay teaches how to dress properly, conduct meetings, manage finances, public speaking, and many other lessons that are waiting to be taught

FUN

Demolay is in the hands of the membership. all events are planned by the members for the members. this system gives the DeMolay a creative outlet to have fun and do what THEY want.

LEADERSHIP

Demolay creates leaders. there have been many politicians and business leaders who were DeMolay, most famously perhaps, President Bill Clinton. DeMolay provides different leadership opportunities by putting the young man in charge giving them Practical leadership experience.

"Being in DeMolay has helped me realize how much I can do in life and has given me the skills to follow my passions"

- An Active DeMolay from British Columbia
